YOU COULD WIN UP TO R1,500 IN THE MONTHLY DRAW

**Raising Funds together to help
Quadriplegics & Paraplegics**

WHAT IS A QUADRIPLAGIC?

A Quadriplegic is one who is disabled in all four limbs as a result of injury or illness (usually motor vehicle accidents, violence, diving accidents, rugby injuries, etc.).

The degree of paralysis is determined by where the spinal cord is severed. For example, damage to the C4 cervical vertebra (closest to the neck) results in total paralysis from the neck down. Damage to the C6 vertebra results in paralysis from the neck down, but with partial movement of the arms and no hand or finger co-ordination or control. Damage lower down the spinal column results in paraplegia. A Quadriplegic is of sound mind, trapped in a functionless body. A Quadriplegic needs to be washed, fed, dressed, and toileted. They require assistance from trained carers to see to these basic needs.

ANDRIES OLIVIER DURBANVILLE QUADRIPLAGIC CENTRE

This is a House accommodating twelve Quadriplegics and Paraplegics which was founded in November 1994 by the late Andries Olivier, himself a Quadriplegic. The original house was in Kuils River and was known as Huis Andries Olivier. Now situated at 18 Hafele Street, Durbanville, the Centre is known as Andries Olivier Durbanville Quadriplegic Centre. The House is managed by the residents.

The monthly cost to run such a House is extremely high. A monthly state subsidy is received but this only covers approximately 15% of the monthly expenses. This means that regular fund-raising initiatives must be held in order to raise the necessary funds to keep the Centre open.

The **SUPPORTERS CLUB** is one of our fund-raising projects.

***We appeal to you to assist us in our quest for sustainability.
You could win up to R1,500!***

HOUSE ANDRIES OLIVIER (HAO) SUPPORTERS CLUB

Commit to a monthly donation of R50 arranged through debit order, stop order, internet transfer or cash payment, as preferred. Annual payments are also acceptable. *(Lesser or greater donations are accepted with appreciation)*

Each month 3 Lucky Prizes will be drawn

1st Prize R1 500

2nd Prize R1 000

3rd Prize R 500

(Winners will be notified after each draw)

Membership is open to all.

Proceeds will be used towards the daily running of the House. The Project is professionally managed by Sanlam Multi Data Debit Collection System (A member of the Sanlam Group).

The House is a project of the QuadPara Association of the Western Cape and is a registered NPO & PBO.
